

# HOYER<sup>®</sup>

## HPL600 Heavy-Duty Power Lifter

With the increasing demands placed on today's caregivers, Hoyer lifters make patient handling comfortable and convenient, while reducing the risk of injury to patients and staff. The HPL600 combines the reliability of Hoyer with innovative features like a power operated base that can be stopped in any position. With 600 pounds of lifting capacity, this heavy-duty lifter will provide years of dependable use, even under the most demanding conditions.

## Slings

The HPL600 is compatible with Hoyer 50000 and 70000 series slings.
