FDA Class II
Medical Device

SC54ALX

FDA Class II
Medical Device

- New **ALUMINUM FRAME** for lighter weight and improved durability
- **EZ TURN** technology for the tight turning of a 3-wheel scooter and the stability of a 4-wheel (turning radius of 38.39")
- **CHARGE360** allows you to magnetically charge your scooter, requiring minimal dexterity and no need to line up any pins
- **INFINITE TILLER ADJUSTMENT** lever can be operated by hand or foot
- Front and rear pathway lights
- Feather-touch disassembly allows the unit to be easily separated
- 17" x 17" mesh back seat with adjustable flip-up armrests
- 8 Ah airline-safe⁴ lithium ion battery pack (16 Ah battery is available as an optional upgrade for additional range)
- USB charger located in the tiller
- Large front basket (standard)
- Interchangeable color panels included for front and back:

GARNET RED (MATTE)

EURO GREY

BATTERY: 2-year limited

HCPCS Code: K0899

POWER MOBILITY DEVICE, NOT CODED BY DME PDAC

- 1 Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition, and tire condition. This specification can be subject to a variance of (+ or -) 10%.
- 2 Tested in accordance with ANSI/RESNA, MC Vol2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
- 3 Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.
- 4 Transport of this item on commercial aircraft is subject to federal regulations and airline policy. Please consult your airline prior to your flight to ensure your Go Go® and its lithium-ion battery are permitted.

HCPCS codes provided should not be considered as legal advice and do not guarantee reimbursement. DME providers are responsible for determining appropriate billing codes when submitting for insurance reimbursement.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3 %. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.
